

Visit two pioneering companies in Emmental

Motivated by love, Oscar R. Kambly came to Trubschachen in 1906, where he soon founded what is now the most popular and well-known brand of biscuits in Switzerland, right in the heart of the idyllic, hilly Emmental landscape. Visit the Kambly Experience and find out more about the traditional company's history, which goes back more than 100 years, and discover the secrets to the art of fine biscuit making. After that, the tour will take you to Huttwil, where you can enjoy a delicious lunch at FLYER, a pioneer of the e-bike sector. Afterwards, you can take a look behind the scenes with a factory tour and test out the FLYER e-bikes.

The 'Kambly Experience' visitor centre is a venue that can be enjoyed with all the senses. Dive into the world of Kambly and discover the origins of this traditional brand. Peek over the shoulders of the Kambly Master Confectioners in the Kambly Confectionery, visit the "original bakery" of the founder, where light and sound effects lead you through the history and discover the secrets of the art of making fine biscuits. Taste over 100 types of biscuits to your heart's content, find a great selection of exclusive Kambly specialties at the factory shop and enjoy refreshments in the Kambly Café.

Afterwards, relax and unwind on the 40-minute journey through the lovely, hilly Emmental landscape. In Hutwil, you will be greeted with lunch in the FLYER factory. Afterwards, fortified from the meal, you will gain a fascinating insight into the Swiss e-bike pioneer's production facility on a guided tour of the factory, where you will learn interesting facts about the history and manufacture of FLYER e-bikes. To round it all off, you will be allowed to test-drive the different FLYER models.
